

RE: 360 Dance Breaking News!

Dear 360 Dancers & Parents,

We are super excited about this weekend's 360 LIVE! - Energized dance show. A separate e-mail will go out today with some final details in regards to 360 LIVE! We look forward to seeing you on Saturday!

With the close of this dance year being upon us, we begin to look toward the summer as well as the next dance year. Given that, we have some VERY IMPORTANT news regarding our studio to share with you today.

It is with mixed emotion that I am announcing the retirement of my mother, Debbie Williams. Debbie has had a very successful career as an owner of the former Dale Meyer School of Dance and the current 360 Dance. Although I will greatly miss having my mom by my side on this dance journey, she has worked hard throughout her career and has earned the opportunity to enjoy more time with her husband, family and grandchildren. I wish her nothing but the best!

Although I am sad about my mother's retirement, I have some EXCITING and BIG news to share as well about the future of 360. It's my pleasure to announce that Greta Auter will be joining me both as a full-time staff member as well as a co-owner of 360 Dance. Greta and I have shared a long term friendship and are eager to be co-workers and business partners for many years to come! We have many big plans and fresh new ideas that will enhance what we are already doing at 360. We can't wait to share those with you!

Please join me in congratulating Debbie on her retirement and the welcoming of Greta at 360 LIVE! this Saturday. Formal announcements will be made during the 360 LIVE! show.

With great appreciation and passion,
